**CENTRAL DISTRICT OF CALIFORNIA, WESTERN DIVISION**

[illegible]

# PROTECTIVE ORDER

IT IS HEREBY STIPULATED AND AGREED by and between Plaintiffs, MALVIS CRISTAL SANCHEZ (Plaintiff(s)”), and Defendant(s) NUTRIBULLET, LLC, CAPITAL BRANDS, LLC, HOMELAND HOUSEWARES, LLC, CALL TO ACTION, LLC AND NUTRILIVING (“Defendants”) (collectively the Plaintiffs and

1 Defendant(s) are referred to as the “Parties” and each individually as a “Party”),  
2 through their counsel, that this Stipulated Protective Order shall govern the handling of  
3 any information produced or disclosed by any Party or non-Party in the above captioned  
4 matter (“Action”), including documents, depositions, deposition exhibits, interrogatory  
5 responses, responses to requests for admission, and other pretrial proceedings.

6 **GOOD CAUSE STATEMENT:**

7 This action is likely to involve trade secrets and other valuable research,  
8 development, commercial, financial, technical and/or proprietary information for which  
9 special protection from public disclosure and from use for any purpose other than  
10 prosecution of this action is warranted. Such confidential and proprietary materials and  
11 information consist of, among other things, confidential business or financial  
12 information, information regarding confidential business practices, or other confidential  
13 research, development, or commercial information (including information implicating  
14 privacy rights of third parties), information otherwise generally unavailable to the  
15 public, or which may be privileged or otherwise protected from disclosure under state  
16 or federal statutes, court rules, case decisions, or common law. Accordingly, to expedite  
17 the flow of information, to facilitate the prompt resolution of disputes over  
18 confidentiality of discovery materials, to adequately protect information the parties are  
19 entitled to keep confidential, to ensure that the parties are permitted reasonable  
20 necessary uses of such material in preparation for and in the conduct of trial, to address  
21 their handling at the end of the litigation, and serve the ends of justice, a protective  
22 order for such information is justified in this matter. It is the intent of the parties that  
23 information will not be designated as confidential for tactical reasons and that nothing  
24 be so designated without a good faith belief that it has been maintained in a  
25 confidential, non-public manner, and there is good cause why it should not be part of  
26 the public record of this case.

27 1. Any Party or non-Party may designate as confidential any documents,  
28 materials, or information which the designating Party considers in good faith to contain

1 non-public, confidential or trade secret (information and which is disclosed through  
2 formal or informal discovery in this Action (hereinafter “Confidential Material”)  
3 including, but not limited to, any written response to interrogatories and requests for  
4 admission, documents produced in response to requests for production of documents or  
5 subpoenas, deposition transcripts including exhibits, and all information contained in  
6 those materials (collectively “Discovery Materials”). The Parties reserve their rights to  
7 jointly amend this Stipulation and to supplement the above list as additional categories  
8 of Confidential Materials arise through the course of discovery.

9         2. Documents produced or written responses served in this Action in response to  
10 a request for production, or otherwise, relating to matters that the designating Party  
11 deems to be Confidential Material shall be designated as such at the time of production  
12 or service of the response(s). Each document or page of a written response so  
13 designated shall be marked with the word “Confidential.”

14         3. Any Party may designate certain Discovery Materials as “Confidential –  
15 Attorneys’ Eyes Only” (hereinafter, “Attorneys’ Eyes Only Material”). This  
16 designation shall be limited to such Discovery Materials that the designating Party  
17 believes, in good faith, contain highly sensitive information, the disclosure of which is  
18 likely to cause harm to the competitive position of the designating Party or the broader  
19 disclosure of which would violate any Party or third parties’ constitutional right to  
20 financial privacy. All Attorneys’ Eyes Only Materials are included within the meaning  
21 of “Confidential” information as used in this Protective Order and, except with respect  
22 to the classes of individuals who may view Attorneys’ Eyes Only Materials, all the  
23 provisions set forth in the Protective Order that apply to Confidential Materials also  
24 apply to Attorneys’ Eyes Only Materials. Documents produced or written responses  
25 served in this Action in response to a request for production, or otherwise, relating to  
26 matters that the designating Party deems to be Attorneys’ Eyes Only Material shall be  
27 designated as such. Each document or page of a written response so designated shall be  
28 marked with the words “Confidential – Attorneys’ Eyes Only.”

1           4. The production of any document, evidence or testimony not marked as  
2 Confidential or Confidential – Attorneys’ Eyes Only shall not constitute a waiver of any  
3 claim of confidentiality that may attach to the document and such materials.

4           5. If any Party or non-Party inadvertently fails to designate any document(s) or  
5 written response(s) to a discovery request as Confidential or Attorneys’ Eyes Only  
6 Material at the time of production or service of the response, it may correct its error by  
7 notifying opposing counsel in writing and providing opposing counsel substitute copies  
8 of any document(s) or response(s) appropriately marked as Confidential or Confidential  
9 – Attorneys’ Eyes Only. Within ten (10) days of receipt of the substitute copies, the  
10 receiving Party shall return the previously unmarked items and all copies thereof.  
11 Similarly, if any Party inadvertently designates any document(s) or written response(s)  
12 as Confidential or Attorneys’ Eyes Only Material, it may correct its error by notifying  
13 opposing counsel in writing and providing opposing counsel with substitute copies of  
14 the document(s) or response(s) without the Confidential or Confidential – Attorneys’  
15 Eyes Only designation. Within ten (10) days of receipt of the substitute copies, the  
16 receiving Party shall return the previously marked items and all copies thereof.

17           6. The receipt of any document, transcript, thing, or information designated  
18 Confidential or Confidential – Attorneys’ Eyes Only shall not be construed as an  
19 agreement by the receiving Party that any such document, transcript, thing, or  
20 information is in fact Confidential or Attorneys’ Eyes Only Material, and shall not  
21 operate as a waiver of the receiving Party’s right to challenge any such designation as  
22 provided herein.

23           7. A Party may designate as Confidential or Attorneys’ Eyes Only Material, the  
24 whole or a portion of any deposition testimony, regardless by whom given, which  
25 contains or discloses Confidential or Attorneys’ Eyes Only Material. The Party  
26 designating any portion of a deposition as Confidential or Attorneys’ Eyes Only  
27 Material may do so on the record at the deposition or shall serve a written statement on  
28 the Parties and court reporter specifying the portions of the deposition which are to be

1 designated as Confidential or Attorneys' Eyes Only Material within thirty (30) days  
2 after receipt of the deposition transcript. Except as otherwise designated on the record,  
3 the entire transcript shall be deemed Confidential prior to the expiration of the thirty-  
4 day period. If a document designated as Confidential or Attorneys' Eyes Only Material  
5 is used as an exhibit at a deposition, that document and the deposition testimony  
6 concerning it shall be deemed Confidential or Attorneys' Eyes Only Material regardless  
7 of whether a Party makes any formal designation thereof.

8 8. A Party shall have the right to have the following persons excluded from a  
9 deposition before the taking of testimony designated as Confidential Material or before  
10 the introduction of documents or exhibits designated as Confidential Material: all  
11 persons except the court reporter, counsel of record, the Parties' experts, the deponent  
12 and the Parties (or their representatives who are involved in the handling, prosecution or  
13 defense of this Action). Additionally, a Party shall have the right to exclude the Parties  
14 (or their representatives) before the taking of testimony designated as Attorneys' Eyes  
15 Only or before introducing exhibits designated as Attorneys' Eyes Only.

16 9. Confidential Material may be disclosed, given, shown, made available, or  
17 communicated only to the following individuals and entities (and then only for purposes  
18 of mediation or the prosecution or defense of this Action):

- 19 (a) the Court and court personnel;
- 20 (b) mediators, referees, or other neutral designees of the Court or the Parties  
21 for the purpose of dispute resolution;
- 22 (c) court reporters who record depositions or other testimony in this action;
- 23 (d) outside counsel of record for the Parties, as well as their paralegals,  
24 secretarial and clerical assistants, and employees of such counsel who are  
25 actively working on this matter, including independent contractors  
26 providing copy services or litigation support for the Parties;
- 27 (e) the Parties and their employees and insurers who are actively involved in  
28 the prosecution or defense of this Action;

- 1 (f) independent experts that have been retained by the Parties in connection  
2 with this Action;
- 3 (g) any individual or entity expressly named in the particular Confidential  
4 Material as having authored or received the information contained in that  
5 Confidential Material; and
- 6 (h) any other person or Party upon the written agreement of the Party or non-  
7 party that designated the Confidential Material (which agreement may be  
8 recorded in a deposition or other transcript), or pursuant to court order after  
9 regularly-noticed motion.

10 10. Attorneys' Eyes Only Material may be disclosed only to the following  
11 persons:

- 12 (a) the Court and court personnel in accordance with paragraph 19 herein  
13 below;
- 14 (b) mediators, referees, or other neutral designees of the Court or the Parties  
15 for the purpose of dispute resolution;
- 16 (c) court reporters who record depositions or other testimony in this action;
- 17 (d) outside counsel of record for the Parties, as well as their paralegals,  
18 secretarial and clerical assistants, and employees of such counsel who are  
19 actively working on this matter,
- 20 (e) independent experts that have been retained by the Parties in connection  
21 with this Action;
- 22 (f) any individual or entity expressly named in the particular Confidential  
23 Material as having authored or received the information contained in that  
24 Confidential Material; and
- 25 (g) any other person or Party upon the written agreement of the Party or non-  
26 Party that designated the Attorneys' Eyes Only Material (which agreement  
27 may be recorded in a deposition or other transcript), or pursuant to court  
28 order after regularly-noticed motion.

1           11.       In the event of a disclosure of Confidential or Attorneys' Eyes Only  
2 Materials to a person not authorized to have had such disclosure made to him or her  
3 under the provisions of this Stipulation and Protective Order, and in the event the Party  
4 responsible for having made or allowed such disclosure becomes aware of such  
5 disclosure, that Party shall immediately (a) notify in writing, counsel for the Party  
6 whose Confidential or Attorneys' Eyes Only Material has thus been disclosed of all  
7 relevant information concerning the nature and circumstances of such disclosure (b) use  
8 its best efforts to retrieve all Confidential or Attorneys Eyes Only Materials (c) inform  
9 the person or persons to whom unauthorized disclosures were made of all the terms of  
10 this Order and (d) request such person or persons to execute "Exhibit A" that is attached  
11 hereto. The responsible Party shall also take all reasonable measures promptly to  
12 ensure that no further or greater unauthorized disclosure of Confidential or Attorneys'  
13 Eyes Only Material is made by anyone.

14           12.       Before Confidential or Attorneys' Eyes Only Material may be disclosed  
15 to third-party consultants and independent experts that are being used or will be used in  
16 connection with this Action, such persons must execute a written Confidentiality  
17 Agreement, in the form set forth in Exhibit A attached hereto ("Confidentiality  
18 Agreement"), acknowledging and agreeing not to discuss or otherwise disclose any  
19 material designated Confidential or Confidential – Attorneys' Eyes Only with or to any  
20 person except person permitted to receive such Discovery Materials pursuant hereto,  
21 who if appropriate, has executed a Confidentiality Agreement. In the event that the  
22 person executes the written agreement, the counsel disclosing the Confidential or  
23 Attorneys' Eyes Only Materials shall maintain the executed written agreement.

24           13.       All Confidential or Attorneys' Eyes Only Material provided in discovery  
25 or otherwise in connection with the above-captioned Action shall be used for the  
26 prosecution or defense of this Action, and for no other purpose. Confidential or  
27 Attorneys' Eyes Only Material shall not be used or disclosed for any business,  
28 commercial or competitive purpose.

1           14.       Nothing herein shall prevent any of the Parties from using Confidential  
2 or Attorneys' Eyes Only Material in any trial in this Action or from seeking further  
3 protection with respect to the use of any Confidential or Attorneys' Eyes Only Material  
4 in any trial in this Action. Means to preserve the confidentiality of Confidential or  
5 Attorneys' Eyes Only Material presented at any trial shall be considered and, to the  
6 extent reasonably possible, implemented in advance of such trial.

7           15.       A Party shall not be obligated to challenge the designation of any  
8 documents or information as Confidential or Attorneys' Eyes Only Material at the time  
9 the designation is made, and a failure to do so shall not preclude a subsequent challenge  
10 to the designation. In the event of a dispute with respect to the designation of any  
11 discovery material as Confidential or Attorneys' Eyes Only Material, counsel shall  
12 attempt to resolve the dispute on an informal basis before presenting the matter to the  
13 Court for resolution. If a resolution cannot be reached, the Party challenging the  
14 Confidential or Confidential – Attorneys' Eyes Only designation shall send a written  
15 notice to the designating Party identifying the challenged Confidential or Attorneys'  
16 Eyes Only Material, stating the reasons that the Confidential or Attorneys' Eyes Only  
17 Material is being challenged, and giving notice that the Party will move the Court to  
18 remove the designation of such information as "Confidential" or "Confidential –  
19 Attorneys' Eyes Only." Until such time as the challenge is resolved, such Confidential  
20 or Attorneys' Eyes Only Material shall be maintained in accordance with this Stipulated  
21 Protective Order.

22           16.       Nothing in this Stipulation and Protective Order shall be deemed in any  
23 way to restrict the use of documents or information that are lawfully obtained or  
24 publicly available to a Party independently from discovery in this action, whether or not  
25 the same material has been obtained during the course of discovery in the action and  
26 whether or not such documents or information have been designated as Confidential or  
27 Confidential – Attorneys' Eyes Only.

28           17.       This Stipulated Protective Order may be modified at any time for good

1 cause shown, and shall not preclude any application to the Court seeking greater or  
2 lesser protection for specific documents or seeking termination of the protection  
3 provided hereunder for specific material or information.

4 18. Nothing in this Stipulated Protective Order shall limit or affect the right  
5 of a Party to disclose or to authorize disclosure of Discovery Materials produced by that  
6 Party.

7 19. All documents, transcripts, pleadings, motions, and other Discovery  
8 Materials filed or lodged with the Court comprising, containing, or reflecting Attorneys'  
9 Eyes Only Material shall be filed or lodged under seal pursuant to the Federal Rules of  
10 Civil Procedure and or Local Rules, and shall designate the particular aspects of such  
11 filings or lodging that contain Attorneys' Eyes Only Material.

12 20. The Parties shall meet and confer regarding the procedures for use of  
13 any Confidential Materials or Attorney's Eyes Only Materials at trial and shall move  
14 the Court for entry of an appropriate order.

15 21. No later than thirty (30) days from the unappealed or unappealable final  
16 resolution or settlement of this action, all Confidential and Attorneys' Eyes Only  
17 Material, including copies, extracts, or summaries of such materials, within the  
18 possession, custody or control of counsel for a Party shall be delivered to counsel for  
19 the Party who produced the Confidential or Attorneys' Eyes Only Material, or in lieu  
20 thereof, shall certify in writing that all Confidential or Attorneys' Eyes Only Material  
21 has been destroyed. Notwithstanding the above, counsel of record may retain a set of  
22 pleadings, exhibits, and their own attorney and consultant work product for archival  
23 purposes, including portions of any such papers that contain or disclose Confidential or  
24 Attorneys' Eyes Only Material. Any such archival copies that contain or constitute  
25 Confidential or Attorneys' Eyes Only Material remain subject to this Stipulated  
26 Protective Order.

27 22. Nothing in this Stipulated and Protective Order shall be deemed to limit,  
28 prejudice, or waive any right of the Parties: (a) to resist discovery with respect to, or to

1 seek to obtain additional or different protection for, material claimed to be protected  
2 work product or privileged under federal or California law, material as to which a Party  
3 claims a legal obligation not to disclose, or Material not required to be provided  
4 pursuant to federal or California law; (b) to seek to modify or obtain relief from any  
5 aspect of this Protective Order; (c) to object to the use, relevance or admissibility at trial  
6 or otherwise of any material, whether or not designated in whole or in part as  
7 Confidential Material governed by this Protective Order; or (d) otherwise to require that  
8 discovery be conducted according to governing laws and rules.

9 23. This Stipulated Protective Order shall survive the final conclusion of this  
10 Action and continue in full force and effect, and the Court shall retain jurisdiction to  
11 enforce this Stipulated Protective Order.

12 By executing a copy of this Stipulated Protective Order, each of the attorneys  
13 named below and the Parties they represent undertake to abide by and be bound by its  
14 provisions.

15 24. The Defendants shall file a fully executed copy this Stipulated Protective  
16 Order with the Court within five (5) court days of receipt of the executed Stipulated  
17 Protective Order from Plaintiffs.
